

**The Competition College of the BCA authorises the acquisition of All4U by ALSO Deutschland**

The Competition College of the Belgian Competition Authority (BCA) has authorised on 04 July 2017 the acquisition of All4U B.V. by ALSO Deutschland GmbH.

The concentration was assessed with regard to the wholesale market for printing consumables in the Benelux.

The College has decided, taking into account the limited market share of All4U on the concerned market, that the concentration does not cause a significant restriction of competition.

The Belgian Competition Authority (BCA) is an independent administrative authority that contributes to the definition and implementation of competition policy in Belgium. Concretely, the BCA pursues anti-competitive practices, such as cartels and abuses of a dominant position, and reviews the main merger operations. The BCA cooperates with the other competition authorities of the member states of the European Union and the European Commission within the European Competition Network (ECN)
