

Decision of the Competition College of the BCA in the context of the concentration Dossche Mills / Ceres

The Competition College of the Belgian Competition Authority (BCA) has decided on 15 January 2020 to open the procedure for additional investigation (second phase) in the context of the concentration Dossche Mills S.A. / Ceres S.A.

The concentration relates to the sector of production and sale of soft wheat flour for human consumption.

The Belgian Competition Authority (BCA) is an independent administrative authority that contributes to the definition and implementation of competition policy in Belgium. Concretely, the BCA pursues anti-competitive practices, such as cartels and abuses of a dominant position, and reviews the main merger operations. The BCA cooperates with the other competition authorities of the member states of the European Union and the European Commission within the European Competition Network (ECN)
